

## Bug Tracker - Bug #87

### Dimension Door from wand can go through walls

08/20/2014 05:54 PM - Selunae Player

<b>Status:</b> New	<b>Steps to Reproduce:</b>
<b>Priority:</b> High	
<b>Category:</b>	
<b>Modules Affected:</b> All	
<b>Systems Affected:</b> Magic System	
<b>Description</b>	
When using dimension door wands are used, it is possible to get around walls and doors. When cast properly from spellbook the caster receives an error that they can only target areas they can see.	
Tested on all servers.	
Old bug ID: 420611	
Imported from Mantis Bug ID 47.	

#### History

##### #1 - 04/01/2018 09:24 PM - Hamlet QA & PH

It would be great if someone can try to reproduce this issue at present.

##### #2 - 04/17/2018 09:08 AM - Grimly CCC

@Hamlet Yes dimension door usable allow you to pass solid walls. I was told this was an exploit and punishable offense.

##### #3 - 02/14/2019 03:21 PM - Ambrosia QA/DM

This is still possible to do. the 'loophole' seems easiest to do if you can angle the camera to 'see' to the other side even if your character could not technically 'see' to the other-side. especially on areas where there are 'gaps' in the line of sight, say through a pile of rocks or a boarded up window.
