Status: New	Steps to Reproduce: /Check Hide on any elf and notice the bonus feat mount action /check Hide on any half fey and they don't have it.
Priority: Normal	
Category:	
Modules Affected: All	
Systems Affected: Custom Races	
Description Noticed that custom races like Half Nymphs and Half Drayds can ride horses. Doing some research, they don't have on their hide Bonus Feat: Mount Actions like elves and humans do. Shouldn't they get to also?
